Published by  
The Seniors of  
Pinnacle High School  
Pinnacle, North Carolina

This is the place where we began the first of many school years-

The spirit of these students linger on and inspire . . .

## Foreword

. . . Time is a sort of river of passing events, and strong is the current . . .

Our theme of "TIME" will help portray some of the passing events that have occurred during our school days at Pinnacle High. We have tried to select those happenings which have been most significant. When the book is closed, the current of the river of events will have flowed over the rocks of time into a new year.

. . . These students who will soon complete their years as part of our high school.

## Dedication

His sense of humor, his pleasant manner, and his splendid spirit of sportsmanship have endeared our coach and classroom teacher, Mr. James S. Williams, Jr., not only to the boys and girls of the Senior Class, but also to the entire student body of Pinnacle High School. To him, as a small token of recognition and appreciation for his many fine qualities of leadership in the classroom and in the field of sports, we, the Class of 1961, proudly dedicate this issue of Panther.
